

CITY OF HUMBOLDT POLICY #6020

TITLE: Schedule of Airport Fees and Charges
ADOPTED BY: Council

ORIGIN: Administration
REVIEWED BY: Works & Utilities Committee
JURISDICTION: City of Humboldt

EFFECTIVE DATE: July 1, 2014 **AMENDED:** June 9, 2014
PAGES: 2

Visiting aircraft staying less than one week are exempt from Parking and Usage Fees. All other aircraft will be subject to Parking and Usage Fees at the Humboldt Airport.

Parking and Usage Fees:

Regular Aircraft: (Without City Power)	Annual	\$550.00 per plane
	Monthly	\$60.00 per plane
	Weekly	\$20.00 per plane

Aerial Applicators and other Businesses:	Annual	\$750.00 per plane
	Weekly	\$375.00 per plane
	Daily	\$200.00 per plane

Miscellaneous

Hangar Lot Lease Fee	Annual	\$450.00 (Excl. Electricity) *
----------------------	--------	--------------------------------

External Fuel Use Fee	Annual	\$600.00 **
	Weekly	\$200.00 **
	Daily	\$100.00 **

Electricity for Vehicle/Aircraft Plugged into City Power	Monthly	\$75.00
	Weekly	\$20.00
	Daily	\$3.00

City Staff Services		As per City's Custom Rates
---------------------	--	----------------------------

* The Rural Municipality of Humboldt has agreed to not charge taxes on hangars, however, consideration has been made in the Hangar Lot Lease Fee's in-lieu of Taxes for a direct financial contribution to the airport.

** Weight and location of the fuel truck will be at the discretion of the City to prevent damage to the grounds, apron and Taxi-ways. All liability is borne by owner of fuel truck.

Lot Leases for Hangars

1. Lots west of the east taxi-way are to be leased on a first come, first serve basis. After the west lots are fully occupied, the lots east of the west taxi-way are to be leased on the same basis.
2. Hangars constructed on leased lots shall provide a two-foot side yard.
3. Hangars constructed on leased lots shall have no front yard. All hangars must be constructed on the front lot line in order to provide uniformity.

Volunteer Credit

In acknowledgement of volunteer efforts from local pilots at the airport who have hangars and/or aircraft annually, the City will grant "volunteer credit" towards hangar, parking and usage fees for the following year. Valid volunteer credit consists of time dedicated to the general well-being of the airport. Valid volunteer time is to the discretion of the Works and Utilities Manager and shall be submitted on a monthly basis. Eligible volunteer credit is as follows:

1. Mowing, general cleanup and maintenance - \$10.00 per hour
2. Fueling Visiting Aircraft - \$20.00 for each fueling
3. Winter Runway Condition Reports (by City request) - \$40.00 for each time
