9				

Played like traditional golf, but with flying discs! One point is counted each time the disc is thrown. The goal is to play each hole with the fewest strokes possible. The Player with the lowest total of points wins!

Discs must be thrown from the designated tee areas. Where the disc lands, is where you must throw until you reach the basket! The completion of the hole occurs when the disc lands in the basket or chains of the *Disc Pole Hole*.

Couse Courtesy!

- Remain quiet and remain still while others are throwing
- Stand behind the player who is throwing until the throw is complete
- Remove the disc from the *Disc Pole Hole* after completing the hole
- Help new players learn the rules
- Allow faster groups to play through when possible
- Do not alter the course (trees, bushes, etc.) in any way
- Be respectful of the park and those who work to keep it in shape
