“For Immediate Release”

Statement from The City of Humboldt on RETURN OF SUMMER SIZZLER FAIR 2022

Humboldt, SK – The Department of Community and Leisure Services is very excited to announce the return of Humboldt’s annual “Summer Sizzler Fair” after a 2 year hiatus due to COVID and Provincial Restrictions.

The event will be slightly different than in the past, but promises to be a host of unique experiences for all ages. One notable change is that unfortunately, the company who typically provides the midway, and who was booked for 2022, cancelled on short notice due to lack of employees. According to the company owners, they were shut down for the past 2 years due to provincial restrictions and they have been unsuccessful in refilling positions vacated during the pandemic.

Although this is a disappointment, The City’s Community Event Coordinator for the City of Humboldt, has gone above and beyond to find new activities, events and entertainment to help fill the void left by the midway. Some of these highlights include Motocross Stunt Performers, bouncy castles and inflatables, paddle boats, water walking balls, mechanical bull riding, and a dueling pianos show, just to name a few. She has also confirmed the return of community favorites, such as the parade, BBQ’s, a pancake breakfast, Comic Con, and the Strong Person Competition.

Summer Sizzler Fair 2022 will take place in various locations throughout Humboldt from Wednesday, June 15 to Saturday, June 18. Some events are free, while other activities require a wristband that can be purchased at the Uniplex after Friday, May 20.
