CORPORATE SERVICES

Every January, appointments to various City boards and committees are renewed. If there are vacancies on any of the boards or committees, the City makes a call for volunteers for the vacant positions to ensure all community members have the opportunity to become involved in the City's boards and committees. Appointments are for a one year term and will be renewed on an annual basis or when there is a change to an appointment.

City Council approved the City Clerk's recommendation to appoint the volunteers who have come forward for each board and committee.

Thank you to those who have volunteered!

There are 2 vacancies remaining for the Reid-Thompson Library Board. If you are interested, you can apply on-line at: <https://humboldt.ca/boards-and-committees/>
