The City of Humboldt sponsored the Dayna Brons' hole at the 8th Annual Humboldt Broncos Memorial Golf Tournament. The City provided a swag bag as a prize at the tournament. Unfortunately, the golf portion was rained out, but the dinner went ahead as planned. Thank you to the organizers of this annual event and those who continue to support it.

The mini-golf course has some new additions this summer. Thank you to all the businesses that sponsor holes and also for ensuring their obstacles are in good condition. The mini-golf course and Swirl World ice cream at the Visitor Information Centre have been a huge hit so far this year.
